#### **Introduction Summary**

Milford Planning are a professional, dynamic and accountable team of town planners dedicated to providing the best professional town planning and development advice to north and regional Queensland.

We are first choice in providing the practical town planning services that are critical for realising projects important to regional Queensland's prosperity.

Milford Planning has developed a reputation for excellence in delivering pragmatic and well-rounded planning advice, and we pride ourselves in our ability to deliver flexible and efficient services that respond to our client's needs.

A broad range of individuals, builders, developers, businesses, property owners, local governments, investors, agencies, community organisations and institutions from around Australia rely on our expertise to deliver their projects, policies and plans. We have delivered thousands of development approvals for these clients over the past 15 years.

We are one of the best resourced regionally based Queensland town planning consultancies – which means we truly understand living and doing business in regional and rural areas and have the capacity to deliver.

#### **Sector Knowledge**

Milford Planning have specifically acted for and provided advice about community housing projects in North Queensland, most recently in the Townsville and Hinchinbrook Local Government Areas.
