Introduction Summary

Gleeds is a leading, independent global property and construction consultancy providing solutions for every stage of the construction and property lifecycle. We offer specialist, impartial advice across an extensive range of core services, safeguarding our clients' best interest from the complexity of construction and property projects. This includes support from establishing funding opportunities and business plans, to technical team appointment and management, through to the implementation, construction and delivery stages of projects.

Sector Knowledge

We work across virtually every sector, including affordable housing, commercial office, retail, public works, residential, health, aviation, defence, civil infrastructure and resources. See below list of experience:

- Affordable Housing experience.
